Signature of Building Principal Date

PA 94-0600 During each academic year, schools must conduct a minimum of 3 school evacuation drills to address and prepare students and personnel for fire incidents. One of the 3 school fire evacuation drills shall require the participation of the appropriate local fire department or district.

During each academic year, schools must conduct a minimum of one bus evacuation drill.

During each academic year, schools must conduct a minimum of one severe weather or shelter-in-place drill to address and prepare students and personnel for possible tornado incidents and may conduct additional severe weather or shelter-in-place drills to account for other incidents, including but without limitation, earthquakes or hazardous material spills.

Beginning in FY10 school must conduct a minimum of one law enforcement drill with participation of appropriate local law enforcement agency and beginning in FY14 the drill must incorporate school shooting incident preparedness (PA 98-0048).
